# **COVID - 19 GUIDELINES**

Following government guidelines we will be taking contact details from your party upon arrival.

We will keep these details in accordance with GDPR regulations and dispose of them securely after 21 days.

Please follow the staff members instructions to fill out the necessary information.

**Please read me**

## Table Service & Tabs

We are here to look after you. Unfortunately there is no service at the bar. However, you'll be allocated a table and a staff member to take care of your orders.

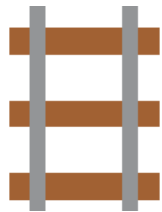

Tables will be opened for you on an individual or group basis.

## Ordering your beer

Please use the signal on the table to notify staff you would like to order more tasty beverages. Beer lists can be found on the TV screens, on the Untappd app, and on our website.

Pumpclips are located at the front entrance.

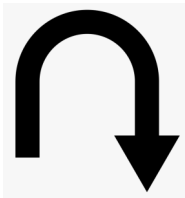

## Moving Freight Only

Please follow the railway tracks when moving around the pub.

Don't idle on the tracks.

Train noises are not compulsory.

## Entry & Exit

Please enter through the Arch 1 (main) doors and exit via Arch 2 (the room with the stage).

Don't do it too many times or you may get dizzy.

## Cleanliness

We will be following strict cleanliness routines. We ask that you do the same. Sanitise your hands upon arrival and at necessary intervals. Wash your hands regularly throughout your visit, especially after toilet visits.

## Social Distancing

Try to maintain social distancing from other drinkers not in your party. Respect people's space.

Follow government guidelines on social distancing.

## Tables

Please don't try to move furniture around. We have placed everything in accordance with social distancing guidelines. If you need to move tables, please ask a staff member.

Don't mess with our Feng Shui!

## Toilet Etiquette

There are toilets situated at the far end of each room. Please use the toilets in the room you are sat. Only one person in the toilet at a time.

Observe signage.

## Outside Drinking

If you are unlucky enough to be sat outside and it rains, we will provide you with an umbrella\* until a table becomes free inside. Sorry, but you can't come in until we can seat you.

## Behaviour

We are doing our best to keep you safe, but also happy. If you believe our systems are too lax or too strict, please feel free to leave and return when you feel more comfortable.

If you would like to make a complaint, please do so to myself (Jo) and leave the staff to their duties.
